

## **REMARKS**

Claims 1-20 are pending in the application. Claims 1, 10 and 15 are the independent claims. Claims 1-9 stand rejected.

### ***Interview Summary***

Applicants representative thank examiners Brier and Wu for the courtesy extended in the telephonic interview of January 29, 2010 regarding the Advisory Action issued on January 5, 2010. During the interview Applicant and examiners discussed the claim amendments that would overcome the outstanding § 101 rejection. Examiners agreed that the amendments contained herein overcome the § 101 rejection and that the amendment to the specification overcomes the § 112 rejection. Examiners agreed that the amendments place all of the claims in condition for allowance. Examiner Brier requested that the Applicant file this supplemental amendment changing “the graphics system” to “the computer graphics system” and indicated that the amendment would be entered.

### ***Supplemental Rejection***

This response is supplemental to the response filed on December 28, 2009 and incorporates and reiterates the arguments made therein.

**Office Action Dated:** September 30, 2009

**PATENT**

### **CONCLUSION**

In the view of the foregoing amendments and remarks, Applicants respectfully submit that the present application is in condition for allowance. Reconsideration of the application and an early Notice of Allowance are respectfully requested. In the event that the Examiner cannot allow the application for any reason, the Examiner is encouraged to contact Applicants' representative.
